### **General Surgeon Amanda Garman, MD Joins KershawHealth Medical Staff**

KershawHealth is pleased to announce the association of Amanda M. Garman, MD to its medical staff. Dr. Garman is associated with Dr. Edward A. Gill and Dr. David P. Christenberry of KershawHealth Surgical Associates, located at 1102 Roberts Street in Camden.

Prior to joining KershawHealth, Dr. Garman completed her residency in General Surgery at Augusta University in Augusta, GA. She earned her Bachelor of Science degree in Genetics, Botany & Ecology from the University of Georgia where she graduated Magna Cum Laude and her Doctor of Medicine degree from the Medical College of Georgia in Augusta, GA.

KershawHealth CEO Terry Gunn said, "We are delighted Dr. Garman chose our community and KershawHealth to launch her surgical practice. We gladly welcome her to our team."

Dr. Garman specializes in the practice of General Surgery and will provide both inpatient and outpatient services to patients at KershawHealth Medical Center. "I am excited to join the KershawHealth team and look forward to providing excellent, compassionate surgical care to the people of Kershaw County."

Dr. Garman holds Advanced Trauma Life Support and Advanced Cardiac Life Support certifications as well as membership in the American College of Surgeons.

For more information or to schedule an appointment, please call KershawHealth Surgical Associates at 803-432-7682.
