

IMMUNIZATION & PPD REQUIREMENTS

Below are the required health information records needed to observe at KershawHealth. We **must** have **official, printed** documentation from a health department OR your physician in order for immunization proof to be valid.

1. Negative PPD within the last 12 months
2. Tetanus shot within the last 10 years
3. MMR (Measles/Mumps/Rubella) vaccine or equivalent positive titer
4. Varicella/Chicken Pox vaccine or equivalent positive titer
5. Hepatitis B vaccines or equivalent positive titer
6. Flu Shot (in season)
