**KershawHealth Director of ICU Lee Hunter Honored with Advanced ICU Care 2020 *WE SEE YOU CARE* Award in Recognition of Outstanding Acute Care Telemedicine Collaboration**

*Fifth Annual Accolade Highlights Individuals for Their Care of Patients, Dedication to Teamwork and Ability to Leverage Virtual Care to Enhance Clinical Outcomes*

**Camden, SC** – KershawHealth announced that Lee Hunter, BSN, RN, CNML, was selected as a recipient of the 2020 *WE SEE YOU CARE Award* presented by [Advanced ICU Care](#), the nation’s leading provider of high-acuity telemedicine services. Now in its fifth year, the recognition highlights outstanding collaboration between bedside care staff and Advanced ICU Care’s remote care teams. Hunter was selected among nominees from almost 100 Advanced ICU Care partner hospitals and health systems and their employees across the United States.

“The Advanced ICU Care partnership provides our bedside colleagues with an additional level of clinical resources, supporting our ability to provide 24-7 oversight to our most critically ill patients,” said Hunter. “Collaboration with such an experienced group of intensivist-led care teams has been one of the most rewarding parts of the relationship. I am honored to receive the WE SEE YOU CARE award and be recognized for the valuable role I play as we all work together to deliver the gold standard of high acuity care.”

Lee Hunter was recognized in a ceremony on July 22<sup>nd</sup>, 2020 and was also honored with a donation in their name to the Auxiliary at KershawHealth. The WE SEE YOU CARE Award was introduced by Advanced ICU Care in 2016 to acknowledge the exemplary efforts of bedside clinicians and team members from partner hospitals who are leveraging acute care telemedicine to improve the care delivery for patients and their families. The recognition spotlights outstanding care collaboration between hospital staff and Advanced ICU Care’s remote care team who together are driving exceptional care.

“When working with Advanced ICU Care, our partner hospitals and health systems are able to provide the highest level of critical care available today” said Lou Silverman, CEO of Advanced ICU Care. “This is made possible as a result of exemplary collaboration between the entire hospital team involved in telemedicine and our own. With this WE SEE YOU CARE accolade we celebrate Lee Hunter who has truly gone above and beyond in making an elevated level of patient outcomes and experience a consistent reality.”

In all, the 2020 *WE SEE YOU CARE Awards* honored 14 recipients for their individual, team and facility-wide dedication to delivering, in collaboration with Advanced ICU Care, the best of care to the patients they serve.

Advanced ICU Care elevates critical care delivery by leveraging state-of-the-art telemedicine technology to provide high-acuity clinical expertise while generating proven results to patients. In 2019 alone, the company cared for 95,000 individuals which involved more than one million patient interactions.
